

<b>DISHES</b>	<b>TASTE</b> How do you like the taste of the food?	<b>TEXTURE</b> How do you like the texture of the food?	<b>SMELL</b> How appealing does the food smell?	<b>APPEARANCE</b> How appealing does the food look?	<b>RATING</b> Scale 1-6, 1= extremely dislike 6= extremely like
<b>Veg Pulao</b>	Love it - fresh when you first bite into it, then you get the subtle taste on the second. The spices are blended well, with a lot of flavour.	Well cooked, fluffy, good texture.	Really good	Visually appealing	6
<b>Egg Kosa</b>	Excellent flavour, nice tomato flavour,	Nice crunch of the onions. Yolk could add a creaminess if a little less cooked through.	Fragrant.	Visually appealing. The whole egg seems like something substantial to bite	6
<b>Mixed daal</b>	spicy, but a nice level of heat for many. Baby spinach tastes beautiful.	Nice and creamy despite there being no cream in there.	Really good	Because I can see vegetables, it looks like a whole meal. The portions are clear.	6
<b>Tomato salad (with coriander and lemon)</b>	This flavour balances out the other dishes and acts as a palate cleanser	Cool and fresh texture	The scent of the coriander is fresh	Bright and balancing	8 (out of 6, delicious!)
<b>Gajar Halwa</b>	A good level of sweetness feels like a nice treat. Unlike anything I've had before. Innovative using comments	Really creamy, multiple textures in one with the nuts.	Cardamom smell is enticing	Bright and colorful	6
