

ABSTRACT SUBMISSION TEMPLATE

Thank you for your interest in presenting your abstract at the 7th NNEdPro International Summit on Medical and Public Health Nutrition Education and Research.

To submit your abstract, please complete this form:

Abstract title (Where applicable, include a subtitle with the study design.)

Author(s) names First name(s), last name(s) and identifying number. For example, Frank Moran (1).

Affiliation (Identifying numbers, job title at the time of submission, institution and country. For example: (1) Research Fellow, University of Ulster, Northern Ireland.)

Background (Brief outline of what is not known about the subject and therefore worth exploring.)

Objectives (Description of main aim, major hypothesis tested or research question.)

Methods (Description of the research design, the setting, participants, interventions and main outcome measures, where applicable.)

Results (Description of the main findings. For quantitative studies, describe 95% confidence intervals and, where appropriate, the exact level of statistical significance.)

Conclusion (Description of primary conclusions, implications and areas for further research if appropriate.)

If you need to edit your submission, please contact the support team at info@nnedpro.org.uk.
Please note that edits will not be possible after decisions have been notified to authors.
