# 13th Annual Congress of the International Society of Nutrigenetics/Nutrigenomics

Using genomic information for predicting response to nutrition

Sessions will focus on genomic differences affecting energy balance, genotype-specific nutrition interventions and the human genetics controlling the gut microbiome

Scientific Poster Session

Abstract submissions of original research are accepted by email to [mkohlmeier@unc.edu](mailto:mkohlmeier@unc.edu)

Max. 250 words

Email Subject Heading: ISNN Abstract

Deadline: 20th May 2019

The best abstract submission on 'Nutrigenomics of human energy balance' and 'Human genetics of the gut microbiome' will be selected for an award and oral presentation.
